The Embassy of the United States of America to Bosnia and Herzegovina (BiH) is pleased to announce the Fulbright Visiting Scholar Program competition for the academic year 2017-2018. The program brings foreign scholars to conduct non-degree, postdoctoral research, to lecture, or to pursue combined lecturing and research in the United States generally from three months up to ten months. Fulbright grantees establish professional contacts in their academic field, enhance their scholarly work, gain international experience and personal enrichment, and help promote mutual understanding between the two nations.
